## HAMILTON COUNTY, KANSAS 2012 TAX LEVIES Mill Levy Per \$1000

## **REMARKS**

Your County Appraiser is charged with the responsibility of appraising all taxable property to determine the actual value thereof in order to equalize the burden of general taxation. The State Legislature sets the percentage of this value which is to be used as the assessed value upon which mill levies and taxes are determined.

The Appraiser's Office has nothing to do with setting the levies. County tax is levied by the County Commissioners. City tax is levied by the City Councils. School tax is levied by the School Board. Special Districts are levied by their Directors. State Assessed is assessed by the Property Valuation Department.

All property, except that specifically exempt, is subject to taxation and is listed for assessment. Clerical help is located in the Appraiser's Office to assist you in reporting your property. Failure in reporting property in January and February does not relieve you of being responsible for tax on your property.

All taxable personal property in our possession as of January 1 must be reported.

The Appraiser's Office is ready at all times to answer inquiries pertaining to taxation and to adjust erroneous assessments. We invite you to call and go over your valuation.

## **GENERAL INFORMATION**
